\$40 monthly

(with no annual contract or month to month)

\$400 annually

(paid in full)

An annual listing ensures that you benefit from increased exposure over the period of time that the average bride is planning her wedding. Although some brides book the majority of their services within several weeks, other brides plan slowly over time and often book at the last minute. If your listing were here today and gone tomorrow, you would miss about 50% of the brides who require your services.
